Baia dei Saraceni is a residential complex currently under construction comprising 26 residential units, surrounded by a private park of over 4,000 m², available to all residents, with areas dedicated to relaxation and a splendid sea view. The project stands out for its contemporary architecture, spacious outdoor areas and living solutions designed to offer every flat an extraordinary sea view, natural light and everyday comfort.

Its location on the fourth and top floor enhances the brightness of the rooms and the connection with the surrounding landscape of this penthouse for sale in Bordighera.
