Vallecrosia, a one-bedroom apartment with unobstructed sea views for sale in a recently build energy-efficient residence.

On the first hill of Vallecrosia, in the ‘Conca Verde’ area, within the ‘Pietra di Luna’ residential complex, an elegant one-bedroom apartment is for sale in a panoramic and peaceful location with a terrace and stunning sea views, and featuring a communal swimming pool.

Situated on the second floor with lift access, this apartment for sale in Vallecrosia is in impeccable condition, fully fitted with bespoke furniture, comprising an entrance hall, a living room with a spacious, fully fitted corner kitchen opening onto a large covered terrace with sea views, a double bedroom and a bathroom with shower.

The apartment includes various amenities such as independent air-conditioning and heating, adjustable in every room, parquet flooring, double-glazed wooden windows, and internal and external thermal and acoustic insulation, which ensure a high standard of living comfort and low energy consumption – thanks also to a photovoltaic system installed in 2024 that meets the building’s energy requirements, bringing its energy efficiency rating to class A2.
